Are you, or is someone you know, wanting to start drama-school training this year?

We seek out interesting, creative individuals for our **Advanced Intensive Acting Diploma!**

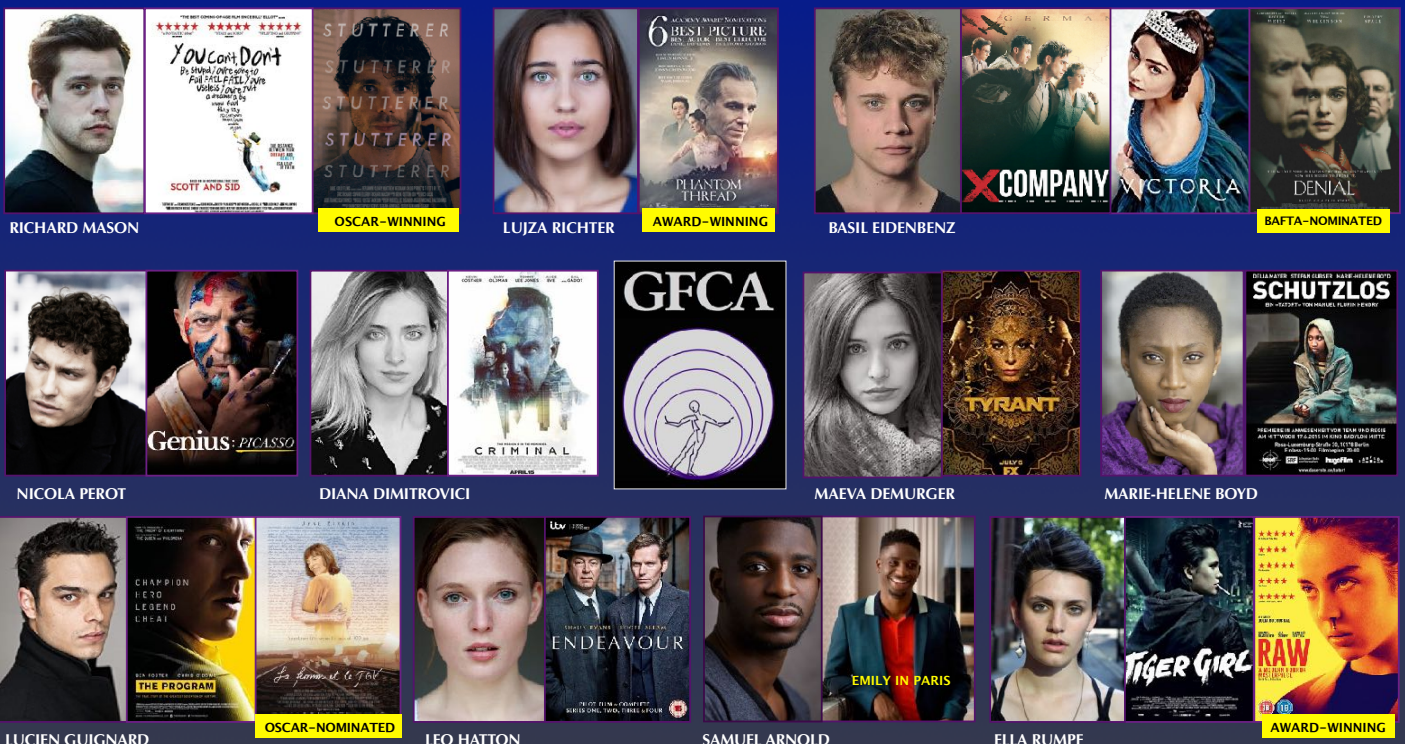

At the GFCA, we are proud to carry forward the ethos of the original Drama Centre London, where Giles Foreman and many of our tutors trained and later taught.

"The Giles Foreman Centre for Acting is the natural successor to the (original) Drama Centre London "

Christopher Fettes (co-founder of Drama Centre London) writing in 2018

We keep our classes small, for high-intensity training, and we achieve **great** results – because we focus on developing each of the creative individuals who come to us. Train with us, and you could join a heritage of GFCA alumni who have already gone on to find success in the industry.

... here are just a few of the productions that our alumni have been involved with, since graduation...

GFCA = a measure of high quality + a reputation for excellence + strong International Industry links
